

1K SEO CONSULTING

Video 1 - UpWork Overview

1. [Sign up on Upwork](#) as a freelancer
2. Start browsing jobs on UpWork, use search filters and check out the various positions people are hiring for on the platform.
3. Start working on profile basics to get closer to 100% completion.

In video 2 we will be going through profile optimization where you will be spending a significant amount of time optimizing your profile for success.

Keep an eye out for video #2 coming out tomorrow.
